**STUDENT NEWS**

1. If you park on any of the roads near the high school please be reminded that some of the local neighborhoods are considering asking the City of Lake Stevens to restrict parking in their neighborhoods due to spinning tires, profanity and litter. If you can each help to monitor each other we may be able to work it out with them to continue allowing parking during school hours. We need your help to make this work.
2. Students are reminded to come to the Main Office and get a locker assignment. Please see Tanya Perfect-Reading!
3. If you have been assigned a parking spot but have not paid, you must pay by Friday and see Janet to get your parking tag or your spot will be assigned to students on the waiting list.
4. If you are interested in a Sports Medicine program, please talk to Lyman Drown in the Athletic Training Room after School for an application. Applications will need to be returned by Thursday September 17<sup>th</sup>
5. Students needing to go to Defensive Driving at Frontier Village will no longer be offered shuttle service on our school buses due to overcrowding.
6. Need work credit – please see Ms. Smethers in the Main Office before school or after 2<sup>nd</sup> period.
7. You may still apply for a campus parking pass with the understanding that you will be on a waiting list and not guaranteed an assigned parking spot on campus. DO NOT PAY for a parking pass until Janet assigns you a spot. The gravel lot is unavailable to us for parking this year due to stadium construction!
8. Students are reminded that change will not be given by the Business Office, Cove or Cafeteria unless you are making a purchase! Please do not ask! Also, a reminder that \$1's, \$5's and \$10's are preferred. Thanks for your cooperation.
